

And There Were Sodomites In The Land

1st Kings 14:24, "And there were also sodomites in the land: and they did according to all the abominations of the nations which the LORD cast out before the children of Israel."

By David J. Stewart | August 2012

The Bible warned us in Romans 1:25 that homosexuals would change the truth of God into a lie, which they have done by removing the word "sodomites" from all modern versions of the Bible. Romans 1:24-25a, "Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonour their own bodies between themselves: Who changed the truth of God into a lie." Homosexuals and their supporters can be heard all over the internet and television perverting the Scriptures today.

Their lie of choice is to focus on the Mosaic ceremonial law forbidding the eating of lobster, which the Bible calls an "abomination" (Leviticus 11:10-12). Since the Bible also calls homosexuality an abomination in Leviticus 20:13, homosexuals make light of the sin of homosexuality. Homosexuals and their supporters couldn't care less about the Bible, but they know that many people DO care about the Bible; and so they must convince those who are gullible and ignorant that the Scriptures do not forbid homosexuality. They contend that if homosexuality were so evil as Christians claim, then surely God would have called it sin directly, and would have forbade it in His Commandments.

The truth is that God utterly destroyed the cities of Sodom and Gomorrah by raining down fire and brimstone. Sodom's list of sins was very long. Ezekiel 16:49-50, "Behold, this was the iniquity of thy sister Sodom, pride, fulness of bread, and abundance of idleness was in her and in her daughters, neither did she strengthen the hand of the poor and needy. And they were haughty, and committed abomination before me: therefore I took them away as I saw good." Although the inhabitants of Sodom were guilty of committing many sins, Sodom was infamous for homosexuality. Thus, by association all future homosexuals were referred to as "sodomites." Of all the sins of Sodom, it was the horrible sin of sodomy for which the city has been historically remembered. The city of Sodom is synonymous with homosexuality (sodomy).

One of the most wicked and threatening situations in the Old Testament was when the homosexuals of Sodom, young and old alike, gathered around Lot's home to rape the two angels from Heaven (Genesis 19:1-13). Angels appeared as men. There's nothing in the Bible about angels having wings or glowing in the dark. Angels appeared as good Christian men, unable to distinguish from regular men. Anyway, the Bible teaches that the angels smote the homosexuals with blindness to prevent the rapes from taking place. Then the angels informed Lot that God had sent them to destroy Sodom and the neighboring cities.

No honest Bible student could ever conclude that homosexuality is not overwhelmingly condemned in the Bible. Having laid the foundation of the wicked nature and serious homosexual problem in Sodom, now read what the Bible says in 1st Kings 15:11-12 concerning the godly king Asa, who drove the sodomites out of the land...

1st Kings 15:11-12, "And Asa did that which was right in the eyes of the LORD, as did David his father. And he took away the sodomites out of the land, and removed all the idols that his fathers had made."

The modern word "sodomy" refers to anal intercourse, which is how homosexual men have sex. SICK! This word originated from the city of Sodom where homosexuality was so epidemic that God destroyed it forever. Now you understand why homosexuals have clamored so much to have the word "sodomite" completely removed from the Bible. By removing the word sodomite from the Bible, homosexuals have removed the strongest indictment against them from God. Jude 1:7 says that God destroyed Sodom as an examples of what would happen to all that live ungodly, suffering the vengeance of eternal fire. Jude 1:7, "Even as Sodom and Gomorrha, and the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire."

God Is NOT The Author Of Confusion (Homosexuality is confusion)

Jude 1:7 speaks of strange flesh. "Strange" flesh is a reference to homosexuality, which is clearly listed separately from the sin of fornication in Jude 1:7. Homosexuality is strange. It is a strange way to have sex. It is strange for two men to lust upon each other. A woman having sex with a woman is strange, sickening and evil. So many people have been misled by the Devil to believe that homosexuality is a fulfilling way to live. People are confused. Young people are deliberately being confused about their gender and sexuality by the Devil's crowd. 1st Corinthians 14:33, "For God is not the author of confusion, but of peace, as in all churches of the saints." The very fact that God is not the author of confusion proves that homosexuality is a sin. God doesn't make mistakes. God created Adam and Eve, not Adam and Steve. Oh my friend, God loves you so much. Don't accuse God of being an evildoer. God is not the author of confusion.

Homosexuality is utter confusion. Kids today are deliberately being confused. The wicked removed the Bible from classrooms in 1963, put evolution into the classrooms, put sex-education into the classrooms, and now have put homosexuality into the classrooms. These poor kids don't stand a chance to turn out for God. Of course they're professing to be homosexuals at age 13, because that's what they've been taught to do. God has been banned from their life. Most of those kids don't have Christian parents. At home those kids sit in front of the sexualized and violent television. They play sexually promiscuous and violent video games. No wonder they're shooting up the schools, dying their hair purple, piercing their tongues and becoming homosexuals. They're as confused as can be! Kids are confused! Teens are confused!

Today's adults are yesterday's kids, who grew up without hearing the Word of God; thus, they have no faith and are very confused. From the 2nd grade to the senior year of high

school is 12-years total of schooling. So every 12-years another round of youth are produced by the public school system. We are now living in the fourth generation since the Bible was removed from the government's public schools in 1963. Each succeeding generation is increasingly rebellious, high-minded and bold to commit wickedness.

Today's youth are energetically rebellious against God, charged up and set on edge to do evil by wicked adults who have trained them to embrace homosexuality. Youth today are being indoctrinated to recognize Bible-believing Christians as haters. Anyone who dares go against the agenda of homosexuals is labeled as a hater. Notice that sodomites nearly always attack Christians instead of God, because they know they can't get away with falsely accusing God. If homosexuals called God hateful, then most people would disagree with them. But when they call Christians hateful, a lot of people are ok with that. Homosexuals are masters of deceit. The homosexual movement was very carefully planning, put into action and carried out over the past three decades. Through music, Hollywood, television and the newsmedia, homosexuals have converted America into a nation of homosexual lovers.

As the number of homosexuals increase in American society, so also does their arrogance, wickedness and hatred of Christians. The recent malicious smear campaign, nothing less than [a witch-hunt against Dan Cathy of Chick-Fil-A](#), is trying to legally shut down businesses that publicly denounce gays. A Chicago alderman has called for Chick-Fil-A to have their business license revoked for taking a Biblical stand against homosexuality. I tell you, the time will come when businesses will be denied licenses unless they openly tolerate gays and never speak a negative word about homosexuality. Christians will be arrested, convicted and prosecuted, sent to prison and fined for preaching against sodomites. The very term "sodomite" is extremely offensive to homosexuals, because it implies God's wrath and judgment against homosexuals. That's why they deliberately removed the word from all modern Bible versions. It was homosexuals and money-hungry heathens who removed the word "sodomite" from the NIV. It's not just the NIV, but ALL new Bible versions coming out.

I'll never understand how any professed man of God can use the [New International Version](#) (NIV) of the Bible, after being informed that at least two flaming homosexuals were on the *Committee On Biblical Translation* (CBT) who translated the NIV. [Virginia Mollenkott](#) and [Martin Woudstra](#) (chairman of the Old Testament committee) gave the apostate world the [NIV perversion](#). These homosexuals were offended by the truth of God's Word, and so they removed the word "sodomite" completely from the Old Testament. So when you hear homosexuals and their wicked sympathizers attacking the Bible, saying that God also called eating shellfish an abomination; remember that homosexuals have completely removed the word SODOMITE from the Bible, which condemns them all to the eternal fires of Hell as Jude 1:7 warns.

Sodom And Gomorrah Discovered, Tested And Verified

Research online and you'll find substantial documentation that the Biblical cities of Sodom and four other cities which God destroyed by fire and brimstone (sulfur) have been discovered. You can see where the cities once stood. The soil has been [tested by a laboratory in New Zealand](#), found to be 95-98% pure sulfur. Ordinarily sulfur is only found in nature at 30-40% purity. Only extreme temperatures of 5,000-6,000 degrees Fahrenheit can purify sulfur. This is solid evidence that the Bible is true.

Today, the ruins of Sodom have been discovered by archaeologists. In fact, you don't even need to be a specialist to see where Sodom once stood. Here's a picture taken by a tourist's camera, showing where the city of Sodom once stood...

Above: You can clearly see the perimeter where the city of Sodom once stood before God rained down fire and brimstone and utterly destroyed it forever.

Are you saved my friend? Have you obeyed the Gospel? The Gospel (or good news) is that Jesus died, was buried and rose up three days later (1st Corinthians 15:1-4). Christ shed His blood on the cross and died for our sins. If anyone acknowledges their guilty, sinful condition and receives Christ's death, burial and resurrection as payment for their sins, they are saved. This is the simplicity that is in Christ Jesus. The Bible says that we are saved by believing the Gospel. Mark 1:15, "And saying, The time is fulfilled, and the kingdom of God is at hand: repent ye, and believe the gospel." This is not head knowledge, but heart's trust; believing that Christ died and rose again for YOUR SINS. Will you believe on the name of Jesus Christ for what He did on the cross to pay for your sins?

The Word 'Sodomite' Proves That Homosexuality Is A Wicked Sin

Whether you want to believe that the word sodomite exposes homosexuality as a wicked sin in God's eyes, one thing is for certain, that is, the homosexuality community certainly did, which is why they have maliciously and dishonestly completely removed the word from all modern Bible versions. Homosexuals know that when they mention shellfish and the death penalty that is sounds ridiculous by today's worldly standards. What they fail to mention is that there's a reason why God was so strict concerning the dietary, clothing and Sabbath laws for Israel. These were called ceremonial laws.

For example: The Bible says that anyone who gathered sticks on the Sabbath Day was to be stoned to death. **Why Did God Kill A Man For Picking Up Sticks On The Sabbath Day?** The reason was because the Sabbath was a day of rest which pictured resting in Jesus Christ for salvation. Human effort is a road to the Lake of Fire forever. The only way to be saved is to cease from human effort and totally rest in the finished redemptive work of Christ. Picking up sticks on the Sabbath Day pictured adding human effort to salvation, which is such a serious matter to God that he killed a man for simply picking up sticks. But the man had been warned. God is always fair and just. In the same respect, we've been warned today, but homosexuals don't take God seriously, just like the foolish man who didn't listen to God and decided to pick up sticks when he knew it was forbidden for Jews.

King Asa drove the homosexuals out of the land. This proves conclusively that lesbians and homosexuals are sinning against the Lord. Only a wicked generation that says abortion is ok would also say that homosexuality is ok. Only a wicked Supreme Court that would say that pornography is ok would say that same-sex marriage is ok. Judgment is coming America!!! Money will be blowing in the streets. Crime will be everywhere. Many people will die. America will fall to ruin to the clutches of a totalitarian New World Order.

Today you could burn a flag, urinate on it and throw it in your garbage and no one could legally do anything to you because our nation no longer values patriotism. However, I recently watched a 12-hour documentary on The Civil War by Ken Burns. In the series I learned about hundreds of men who were executed simply for desecrating the flag, fleeing the front lines in fear for their life, refusing to support the war, or for merely making an unpatriotic statement. It evidences that as men change, so also does their standard of what's punishable by death. Back then abortion was unthinkable and today's abortionists would be sentenced to death for murder. Today's politicians would have been considered major criminals back then, and would have been executed. Times were very different back then and most people still believed the Bible.

It is an extremely dangerous thing when men live their lives by their own rationalization and code of ethics. As society declines morally and spiritually, so also does our code of ethics by which laws are made and enforced. This is why so many innocent women were strung up as witches in the 17th century. People were very superstitious back then, lynch mobs were common, and they were utterly ignorant of the sciences. Today we are highly educated in the sciences, but have gone back into the dark ages in our treatment of each other and morality, behaving like animals in America.

My point is that God never changes (Malachi 3:6; Hebrews 13:8), and He has given to us His holy unchanging Words to live by. When men reject God's Word, then man becomes his own god and disaster always ensues. When the wicked Supreme Court removed the Bible and prayer from America's classrooms in 1963, it was the death knell of our once great nation. No nation can survive without obedience to God. Separation of Church from State doesn't mean separation of God from State. God is supposed to be included in government, for He established government as Romans 13 teaches.

Notice that the sodomites committed all forms of wickedness...

1st Kings 14:24, "And there were also sodomites in the land: and they did according to all the abominations of

the nations which the LORD cast out before the children of Israel."

Homosexuality always coexists and thrives amidst a sea of every sin imaginable. President Obama signed the NDAA law on December 31, 2011 which lifted the ban for the military to have sex with animals. God will not bless a nation that embraces such wickedness. Before homosexuality could flourish in America, our society had to become saturated with sexual immorality, rock music, filthy television programming, nudity, indecent clothing, immodesty, cursing in God's name, false religion and every form of evil thinkable. In this pot of sewage in America today, homosexuality can now flourish uncontested by a wicked society of selfish pleasure-seekers. All we hear about are the rights of homosexuals, but what about God's rights?

Eternity Is Just A Heartbeat Away

I am so glad and rejoice continually that I am on the winning side in Christ Jesus. I listened to an awesome sermon today by Pastor Jeff Owens titled, [Are You In Your Right Mind?](#) In the sermon Brother Owens talks about how the natural man (that is, the unsaved person) thinks totally different than the spiritual person who is saved.

There are three types of people: natural, carnal and spiritual. Natural, as mentioned, are the unsaved. Carnal people are those who live worldly, think like the sinful world, live in sin and don't care about the things of Jesus Christ. Many believers are carnal, as were the saved people at the church at Corinth (1st Corinthians 3:1). Evangelist Paul Washer says there's no such thing as a carnal Christian. We'll he'd better go read 1st Corinthians 3:1, because these were carnal saved people, babes in Christ (and they were a messed up bunch... suing each other, fornicating, getting drunk at the Lord's Supper, eating meats offered to idols, fighting amongst each other, speaking in demonic Charismatic tongues, et cetera).

The spiritual person is saved and living to please God according to the Scriptures. The spiritual person understands what is going on in the world today, having spiritual insight that the natural man cannot have without the presence of the Holy Spirit in their mind and heart. Without God in your soul you'll never be able to see the wonderful truths of God. Literally, there is a whole new world waiting for you if you've never been saved, an incredible wonderland of spiritual understand and truth (not religion, but divine truth from God). John Mayer sings the sex-perversed song, "Your Body Is A Wonderland," which I heard while grocery shopping the other day.

Our culture is obsessed with the human body and sex. Colossians 3:5-6 warns that sexual passions outside of marriage brings the judgment of God. John Mayer's song is sinful, because it promotes sexual lust. The bedroom is sacred in God's eyes and should never be sung about, joked about, paraded, nor exploited. America has become so sex-perversed that people aren't content anymore with the size of their breasts and reproductive organs. All sorts of sexual enhancement drugs are being sold on television, in magazines and on the internet. Venereal disease is epidemic amongst the elderly because of Viagra and other similar drugs. And then retarded people act innocent and bewildered when sex crimes happen. People become what they decide to be around, and what they think about. All of the sexual promiscuity on television, and in society in

general, is causing an epidemic of lasciviousness (morbid, immoral, sexual desire) worldwide.

The spiritual person has a completely different mindset than the unsaved person. I am overjoyed in my soul when I realize that I have the truth, that God lives within my body, and I am a citizen of the kingdom of God, a child of God's family). When I speak to unsaved people I can feel the tension between their dead spirit and the living Spirit of God in me. What a massive difference, like night and day. I am so grateful for God's Spirit. Did you ever stop to realize that God loves us so much that He chose to literally live INSIDE of our body (1st Corinthians 3:16-17; Romans 8:9)? What a privilege! What an awesome blessing to have the omnipotent, omniscient, omnipresent God Who created the universe make His home in the body of every Christian believer!!! That's how close God wants to be to us.

God's Spirit does NOT live in the body of an unsaved person. God is not welcomed there according to Romans 1:28. The unsaved person does not want to retain God in their KNOWLEDGE. That's very interesting. No wonder God has been removed from education. No wonder so many people deny God's existence. If you don't believe in God, it's because you've been looking at the wrong things in life. Stop watching the television and start watching nature. Stop reading secular books and start reading God's Word (Romans 10:17). Stop listening to the heathen lecturer and start listening to the preacher. Stop searching within and start searching without. the

Rosie O'Donnell Admits That Her Wedding Was A Political Fraud

When the truth be told, many people who claim to be gay and get married are really ashamed of their lifestyle. Rosie O'Donnell led the world to believe that she loved her lesbian partner and was marrying for love, but in reality she was only angry at President George W. Bush and wanted to make a political statement. Isn't that sad? Moreover, it shows that the true nature of the homosexual agenda is rebellion against God and authority, and not love or companionship.

Rosie O'Donnell Says Her Marriage was a Political Protest, Gays Treated Like Holocaust in America

RIGHT WING NEWS

Written By: Warner Todd Huston

In yet one more example among thousands, we see why loud-mouth, extreme left-wing talker Rosie O'Donnell is wholly unworthy of a national forum. In a recent segment of her satellite radio show Rosie Radio, O'Donnell idiotically claimed that gays were being "rounded up" in America so that a "pink triangle" could be slapped on them just like they were during the Holocaust. But just as obscenely, O'Donnell admitted that her marriage to Kelly Carpenter was only a political statement, one of "civil disobedience," instead of a marriage of love proving that the whole issue of "gay marriage" has nothing at all to do

with rights or “love” but is solely one of politics.

On her show, O'Donnell said of her 2004 marriage:

'George Bush, in the middle of a war, had an all-station news conference to announce how horrible it was for the safety of America that gay people were getting married in San Francisco, which pissed me off enough to get on a plane and go get married.'

Of course, as in most of what this hack says, O'Donnell lied about what George W. Bush said in 2004. As Tim Graham reminds us, Bush did not call any “all-station” press conferences but in truth only issued a statement from the Roosevelt Room of the White House.

O'Donnell also lied about what he said in that statement. Bush said nothing about it being “horrible” for the “safety of America” if gays married. What he said was that, “marriage cannot be severed from its cultural, religious and natural roots without weakening the good influence of society.”

As mentioned, O'Donnell admitted that her marriage was but a political statement which makes the lie to the claim that gays just want to have their love recognized by the state and that this is all about politics.

But even worse was her absurd likening of the treatment of gays in America today to that of how gays were treated by the Nazis during the Holocaust. O'Donnell claimed that in America gays are being “rounded up” and labeled with a “pink triangle” just like the Nazis did.

'But it just was an act of 'listen If you're gonna count up everybody who you think is not of value and round 'em all up and slap a pink triangle on 'em...'

This illiterate, unhinged woman is an outright liar. There is no such oppression of gays in America and to liken the Nazis to today's America is an outrage that at the very least cheapens the horrors of the Holocaust.

Brian Maloney of Radio Equalizer snagged the sound bite and brought the matter to our attention. If you can stomach it, here is his audio clip:

SOURCE: Rosie O'Donnell Says Her Marriage was a Political Protest, Gays Treated Like Holocaust in America

Rosie O'Donnell is proof that the homosexual agenda is not about love and marriage; but rather, it's all about pushing a Communist agenda intended to undermine family values and destroy our nation morally. The Globalists want to destroy America so they can pose as our saviors and replace legitimate government with a Godless Totalitarian Communist Police State. Communist monster Vladimir Lenin (1879-1924) said that the best revolutionary is a youth devoid of morals. Why do you think they're targeting our children before they even reach adolescence? If they can reach the youth, they own the future!

Kids today are being indoctrinated to hate their parents and turn them in for anything and everything. Kids are being brainwashed to hate and despise Bible-believing Christianity as being hateful against homosexuals. They're taught to hate and despise the Bible as bigoted and nothing more than the words of men written to control the masses. This is what they're told. Since they're taught that there is no God and everything just happened once upon a time, they have no moral guidance. Instead of believing that they should do right because God wrote the Bible and we must one day give account of our every word and deed (Ecclesiastes 12:14; Matthew 12:36), youth today have no reason not to commit unthinkable crimes and do evil.

Only an idiot acts bewildered when kids commit evil. Duh, you took away their only chance for a decent, moral and upright life when you banned the Bible from the classroom. Kids spend 40-hours in the classroom and then go home with 2-3 hours of homework. That's 11-hours a day of government-sponsored school indoctrination. I have noticed that even the vilest of evildoers still make mention of the Bible by misquoting it, twisting it; but nevertheless attempting to use it for their own pleasure. They use God's holy name in vain, blaspheming the God they claim doesn't exist. They say "oh God" when they're most scared, or at moments of extreme pleasure and bliss. I heard a woman on a game show say "oh God" when she found out that she'd won \$10,000. All the other time people forget about God, unless they're cursing in His name. You've often heard the saying that "Hell won't be hot enough," but I assure you, "Hell will be hot enough!"

Final Words

In conclusion, king Asa drove the sodomites out of the land. Any honest person knows what a sodomite is, and furthermore, the Bible tells us plainly. Homosexuals brought God's judgment upon Sodom. It wasn't the only sin, but it was the straw that broke the camel's back. God tolerates a lot in His long-suffering and mercy, but when a nation stoops so low as to start committing homosexuality, lesbianism and same-sex marriage, then God's judgment comes. America is already seeing God's judgment. Unemployment is everywhere and there's no relief coming. Our economy is in shambles.

Homeland Security is here to destroy America. They work for the international banking cartel. It may sound bizarre and conspiratorial, but if you do your homework you'll find that the offshore bankers (primarily the Rothschilds) are Satan's vehicle for building the New World Order. It makes sense that in this wicked world, where Satan is god according to 2nd Corinthians 4:4, that the wealthiest family in the world is carrying out

Satan's diabolical plans to achieve World government and finish was was left undone at the tower and city of Babel (Genesis 11:7-9). This is not an American takeover; but rather, an alien, globalist, criminal takeover in a hellish direction.

Since 1815 the Rothschilds have been in control of international affairs. They have learned to develop a system of full-spectrum dominance, where they fund all the sides of a conflict (sometimes more than two sides). They fund and create a Hitler (which is evidenced by Congressional records), to then wreck Europe so they can offer the solution to go takeover Europe with martial law after it's been destroyed. This is a global, corporate system that is exempt from law, outside of law, with global diplomatic unity. These are the evil scum behind the homosexualization of America!!!

Over 51,000,000 Americans are collecting government Foods Stamps in 2012 and The White House just said that many people who qualify aren't using them, but said they want them to. Literally, the government is encouraging Americans to use Food Stamps. It's just more reckless debt spending to cover-up the real problem, that is, our nation is broke. Every penny collected in income tax can no longer even keep up with the interest owed. We are doomed as a nation. Homosexuality has ruined our children. All across the nation Christians are under attack.

The intense Christian bashing is soon going to lead to violence against Christians, but the newsmedia won't cover it, guaranteed. Teens are being taught that Christians are haters for standing with God. Homosexuals accuse Christians of having narrow-minded beliefs, but these are God's narrow-minded beliefs. Homosexuals say God is love and homosexuality is a form of love; but sodomy is abnormal lust, not love. The minds of two same-sexed people who choose to co-habit and attempt to mate as man and wife is mental-illness.

You'll find that in any homosexual or lesbian relationship, that one partner assumes the feminine role and the other takes on the masculine role (called a butch, or dyke). This is conclusive evidence that Homosexuality is abnormal, unnatural, wrong and just plain ridiculous. Hell will be hot enough for anyone who dares harm or do evil against a Christian, especially if it was because they faithfully stood for God against the sin of sodomy. I can spot a transvestite most of the time. They have a certain distinct look about them. They resemble the Rocky Horror Show. It's quite easy to spot a shem (she, him). I tell you, transvestites are some of the most miserable people in the world. I gave one a gospel tract and you could see the contempt and loneliness in her (really a him) soul. Jesus is the last name they want to hear.

Only in so-called civilized societies do people seek sex-change surgery. You'll never find such insanity in poorer, primitive cultures where men and women still mate and live together as husband and wife. Sadly, [Colorado](#) has become the sex-change capital of the United States, of all places.

King Asa drove out the sodomites and it pleased the Lord. All forms of wickedness had overtaken the land along with homosexuality. Wherever homosexuality is found, so also is every other sin. America is living proof of this fact. Abortion was legalized and women started taking their clothes off in public a half century ago. At the time of Roe V. Wade, 37 states had already legalized abortion. On May 17, 2004 Massachusetts became the first state to shamefully legalize same-sex marriage. There's nothing gay about homosexuality. It is a sin in God's sight. New York has followed by legalizing homosexual

marriages in July of 2011. San Francisco, California has already legally married thousand of homosexuals, including Rosie O'Donnell.

Christians ought not hate nor bash gays. They are people for whom Jesus Christ died. They all need the Lord. However, we are Biblically obligated as believers to stand against all forms of public wickedness. Psalms 94:16 tells us as Christians to stand against the evildoers and to rise up against the workers of iniquity. The reason why America is going to Hell is because not enough Christians are taking a stand anymore. Preachers have sold out to public pressure and the love of money. It is Biblical to take a stand against the sin of homosexuality. It should not be tolerated. The wicked are attacking Christians, lying and calling us haters for siding with God on moral issues. But in reality, they are the haters!

As public smear campaigns continue and Christians are demonized, it's just a matter of time until faithful believers are imprisoned and killed for taking a stand for God against the evils of homosexuality. The Devil has twisted the facts, spreading the lie that a lack of tolerance for evildoers makes a Christian a hater. While we obey and honor God, evil men and women dishonor us and disobey God. The wicked newsmedia will say anything they're paid to say, pushing the evil agendas of our untoward generation, and homosexuality and feminism are two of their biggest immoral agendas.

I love everyone unconditionally, as does God, including homosexuals. We are all horrible sinners in God's eyes. The Bible warns that the wicked will be turned into Hell forever (Psalms 9:17); but promises ALL THINGS good in eternity to those who love the Lord (Romans 8:28-32). Oh my friend, repent of your unbelief if you are not saved, and believe the Gospel. Whatever changes need to take place in your life God will attend to once you are saved. God doesn't expect you to change your life on your own; but rather, He wants to live the Christian life through you if you'll walk in His Spirit. But it all begins with getting saved.

Eternal life is God's free gift, paid for by Jesus' precious blood. John 1:12-13, "But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name: Which were born, not of blood, nor of the will of the flesh, nor of the will of man, but of God."

Why does the "mainstream press" condemn the Catholic Church for allowing predatory homosexuals to destroy the lives of boys, while simultaneously condemning the Boy Scouts of America for not allowing precisely the same thing in their organization? -[SOURCE](#)

The Communist Subversion of America's Kids!

That's just sick! Have they no shame at [GLSEN](#)? Can you imagine, trying to teach Ronald that it's ok to stick something in Timmy's backside? ...or that it's ok for a boy to become a girl? What has American society deteriorated to? It is tragic. Any honest child knows that God created Adam and Eve; not Adam and Steve. GLSEN are a bunch of sickos!

The only sure way to protect your child is to either homeschool your child or enroll them into a private school which doesn't homosexualize children. At a minimum, continually teach your kids the truth, i.e., that homosexuality is a sin that brings the wrath and judgment of God (Romans 1:32).

"Freedom is the right to BE wrong, not the right to DO wrong."

"Liberty is the freedom to make our own choices; Freedom is a reward for making the right choices."

"Those who will not be controlled by God will be ruled by tyrants."

2,600 Victims of Catholic Priests So Far!

Bishop Kurt Krenn is at the epicenter of the Sankt Poelten scandal

Don't Let Your Child Become The NEXT VICTIM Of A Catholic Priest!!!

"Three hundred abusers and over 1,000 victims, documented in 1,400 pages with stories no less harrowing than the one above. These are just the latest figures in a decades-long crisis, whose full extent may never be known. What has made these stories possible — and what has prevented them, in many cases, from being told until now — is a much wider

story of an institution that has, over decades, repeatedly chosen secrecy and bureaucracy over transparency and accountability. It is the story of an institution that has not only failed to protect children from abusers, but has systematically allowed that abuse to continue, often with impunity, and has contributed to the victims' suffering by repeatedly failing to contend with and take responsibility for its history."

What you WON'T hear from the ungodly newsmedia is THE TRUTH why so many priests have become homosexuals. The Holy Bible plainly warns in 1st Timothy 4:1-3 that "FALSE PROPHETS" would come "Forbidding to marry"! What group forbids their priests from getting married? That's right, Catholics! No wonder their priests are turning into sodomites, just like people often do in ungodly prisons; God never instituted prisons! You don't lock a human being in a cage! The entire basis of Roman Catholic is a fraud, both doctrinally and in every other way. It is a false church!!! ~by David J. Stewart

"Who being past feeling have given themselves over unto lasciviousness, to work all uncleanness with greediness." —Ephesians

4:19

The Tyranny of Judges

Thomas Jefferson's worst nightmare seems to have come to pass. Jefferson was very concerned that judges would become despots and overrule the rights of the people. In 1820, he wrote to a friend,

"You seem to consider the judges as the ultimate arbiters of all constitutional questions, a very dangerous doctrine indeed, and one which would place us under the despotism of an oligarchy. Our judges are as honest as other men, and not more so."

Jefferson realized that the Constitution protects the will of the people, not the opinions of judges. But instead of protecting the people's vote on Proposition 8, Judge Walker used his judicial office to promote the agenda of a small minority who want to change the definition of marriage.

The definition of marriage, instituted by God and practiced by every culture since the creation of man, is under attack in America today. There is no discrimination against homosexuals in America with regard to marriage, no unequal treatment. Homosexuals are equally as free to marry as any other American. Their problem is that the definition of marriage itself requires every person to marry someone of the opposite sex. The fact that homosexuals don't want to enter into marriage as it has always been defined doesn't give them the right to use the courts to change that definition to suit their wishes. Changing the definition of marriage, as Judge Walker has done, undermines the most important building block of any society.

Judge Walker described the "ability to marry" as a fundamental right that cannot be denied to gays and lesbians. But this conclusion is complete and utter nonsense. Every society in history has placed restrictions on the "ability to marry." You can't marry your sister. You can't legally be married to two or three people at the same time. You can't marry someone who is already married. And you can't marry someone of the same sex. Marriage by definition involves two people of opposite sexes who are—theoretically, at least—biologically capable of reproducing and forming families.
